SEVEN WONDERS OF LIFE:

1. Your mother - who is the first person to welcome you into this world.
2. Your Father – who is the first person to go through all the hardships just to see you smile!
3. Your sibling – the first person to teach you the art of ‘sharing and caring’.
4. Your friend - the first person to teach you how to respect people with different opinions and viewpoints!
5. Your love - the first person to make you realise the value of sacrifice and compromise and the first one for whom you’ve to fight the world to be together.
6. Your children – the first little person to teach you how to be selfless and think about others before yourself.
7. Your grandchildren – the only creatures who make you want to live the life, all over again...

ONE SENTENCE SERMON:

A bad attitude is like a flat tyre - you can't go anywhere until you change it !

SHORT BUT SWEET:

A woman was trying to get ketchup to come out of the jar. During her struggle, the phone rang so she asked her four-year-old daughter to answer it. “It’s the local priest, Mommy,” the child said to her mother. Then she added, “Mommy can’t come to the phone right now. She’s hitting the bottle.”

SOME THOUGHTS FOR THE WEEK:

“A day can really slip by when you’re deliberately avoiding what you’re supposed to do.”

Bill Watterson

“Better keep yourself clean and bright, you are the window through which you see the whole world.”

George Bernard Shaw

“You cannot be lonely if you like the person you are alone with.”

Wayne Dyer

“It’s fine to celebrate success but it is more important to heed the lessons of failure.”

Bill Gates

“When you meet the one who changes the way your heart beats, dance to them to that rhythm for as long as the song lasts.”

Kirk Diedrich

“To rephrase Tolstoy’s famous line, all happiness is alike, but each pain is painful in its own way.”

Haruki Murakami

“Success is sometimes the outcome of a whole string of failures.”

Vincent Van Gogh

“Time is free, but it’s priceless. You can’t own it, but you can use it. You can’t keep it, but you can spend it. Once you’ve lost it you can never get it back.”

Harvey MacKay
