SHORT BUT SWEET:

Two cows were grazing in a field when they saw a milk truck pass. On the side of the truck were the words, "Pasteurized, homogenized, standardized, vitamin A added." One cow sighed and said to the other, "Makes you feel sort of inadequate, doesn't it?"

SOME THOUGHTS FOR THE WEEK:

"Who is more hurtful: the person who wronged you once or you for reliving it over and over in your head?"

Byron Katie

"The road to success is not a super highway....not even close. It's a long and windy bumpy dirt road."

Peter Mayer

"Enjoy the little things in life for one day you'll look back and realize they were the big things."

Kurt Vonnegut

"Our view of the world is very child like in many ways, like in a movie, good guys and bad guys and how things workout in the long run."

Joe Rogan

"He who limps is still walking." *Stanislaw Lec*

"What is most important almost always involves the people around us." *Thomas Monson*

"Please don't judge people. You don't know what it took someone to get out of bed, look and feel as presentable as possible and face the day. You never truly know the daily struggles of others."
