"Words are like arrows. Once loosed, you cannot call them back." *George R. Martin*

"Be kind. Be friendly. Be likable. But don't worry if somebody doesn't like you. You won't be everybody's cup of tea, and that's okay. You can be somebody's cup of coffee, instead, and coffee is awesome." *L.R. Knost*

"Criticism, like rain, should be gentle enough to nourish a man's growth without destroying his roots." *Frank A. Clark*

"I like video games, but they're really violent. I'd like to play a video game where you help the people who were shot in all the other games. It'd be called 'Really Busy Hospital'"

I guess I'm in the second half now." Don't worry, Grandpa," Nick said cheerily. "Maybe you'll go into overtime!"
